## ABOUT ME

---

Dynamic and innovative web designer with over 4 years of experience in crafting engaging, responsive, and user-friendly websites. Skilled in transforming client visions into seamless web solutions, integrating cutting-edge design trends with robust functionality. Experienced in tech support and project leadership, ensuring timely and efficient delivery of projects while fostering collaboration across teams. Dedicated to continuous learning and staying ahead in a fast-evolving digital landscape.

## WORK EXPERIENCE

---

🏢 *Pink Orange* – Remote, United Kingdom

### Web developer - Contract

[ 01/08/2024 – Current ]

- Creating visually pleasant and user-friendly responsive website for in-house initiatives and client projects.
- Collaborated with cross-functional teams to translate design concepts into pixel-perfect, functional interfaces that provide seamless experiences across all devices.
- Employed modern web technologies and best practices in responsive design to ensure optimal performance, accessibility, and SEO compliance.
- Carrying out website maintenance, including updates, and performance optimizations, ensuring robust digital experiences.
- Continuously refined projects based on user feedback and emerging industry trends, resulting in enhanced engagement and client satisfaction.

🏢 *Freelancing* – Remote, Nigeria

### Website Developer/Technical Support

[ 01/01/2023 – Current ]

- Meeting with clients to determine the client's goals and expectations.
- Designing and developing professional, seamless, and responsive clients' web app
- Maintain frequent communication to amend tasks, and provide updates on goal progress.
- Providing website technical support and maintaining client's websites.

🏢 *Raven and Macaw* – Abuja, Nigeria

### Project Lead/Web developer

[ 01/12/2019 – 31/01/2023 ]

- Researching, establishing plans, and carrying out the actual delivery of clients' web app projects.
- Work with supervisor, and other stakeholders to develop team goals and delegate tasks to the appropriate team member.
- Maintain frequent communication to amend tasks, and provide updates on goal progress.
- Create and communicate a clear list of expectations and goals for team members to follow.
- Nurture collaboration amongst team members.
- Using Content Management System to build and manage professional web apps.
- Managing clients' websites including hosting, domain name, and Domain Name System(DNS).
- Customize themes and plugins to meet clients' requirements.
- Introducing new plug-ins and extensions to make clients' websites more usable, scalable, and interactive.
- SEO integration and Google analytics.
- Providing technical support to clients and debugging errors.

- Onboarding and mentoring interns on website development.
- Compilation of monthly, quarterly, and annual reports.
- Continual professional development to keep up to date with new technologies.

## **One Arizona - Non-profit Organization** – Remote, United States

### **Volunteering - Website Revamped**

[ 09/09/2022 – 06/10/2022 ]

- I revamped its entire website by integrating some significant functionalities and restructuring its layout, design, and navigation to showcase its programs and activities. The project helped save \$10,106 allowing them to better showcase who they are, what they do, and the impact they have in Arizona. [View impact](#)

## **Steamledge Limited** – Kano, Nigeria

### **National Youth Service Corps | Assistant Trust Lead, Web Development Tutor**

[ 01/04/2018 – 31/03/2019 ]

- Tutoring interns on basic web development and design (HTML/CSS)
- Preparing, delivering coursework (creative computing) to a variety of classes, and giving appropriate feedback/reports to the management, also assisting in administering computer-based exams. This aided in an easy robust gathering of annual/yearly reviews.
- Managing students' behavior in the classroom and on school premises.
- Continual professional development to keep up to date with new technologies.

## **EDUCATION AND TRAINING**

---
